

XENONES LINDOS RECEPTION (BLOCKS A, B, C)

Directions to Reception

From the Car Park (sometimes called the "top car park") walk downhill towards the town, ensure that you pass **Agostino's Restaurant** on your right-hand side. Keep going in a relatively straight path until you see an archway above you. Go under the archway and turn first left and then first right. Follow the path up and you will see **Xenones Lindos Reception** on your right. Enter through the green door and walk up the steps to our beautiful veranda and Reception.
